

You can make a paragraph like this:

- Rocky
- Rambo
- Snake

Start a numbered list:

- (1) I am the alpha
- (2) and
- (3) the omega

Any numbered lists are reset on the next occurrence of .pp

I am going to **bold this text** and I am going to *italicize this text* and I will

- this text

Shine Shoes
Cut Hair
Get Dressed

I am large text

I am tiny text You can quote text using ""My Text is quoted.""
